

The Expanding Multiverse of Sodium-Glucose Linked Transporter Inhibition (SGLTi) In and Beyond Diabetes

with **Bruce A. Perkins** MD, MPH

Professor, Division of Endocrinology
Director, Leadership Sinai Centre for Diabetes, Sinai Health

& **Susanna Mak** MD, PhD

Associate Professor, Department Division Director, Cardiology
Director, Anna Prosserman Heart Function Clinic, Sinai Health

via Zoom videoconference

NEW – registration required: deptmedicine.utoronto.ca/CWMGR-2022-09-21

Wednesday, September 21, 2022 @ 12:00 to 13:00

LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. Explain the mechanisms of glucose-lowering, and kidney and heart protection from SGLTi
2. Describe the rapidly-evolving impact of SGLTi clinical trials on diabetes, renal, and cardiovascular practice
3. Identify key findings from SGLTi trials meant to overcome limitations in type 1 diabetes care

EVALUATION & ATTENDANCE:

via deptmedicine.utoronto.ca/CWMGR-2022-09-21

Attendance for Maintenance of Certification credit will only be tracked if evaluation and attendance surveys are completed.
